

Barracudas Swim Wish List

This year, the Barracudas are collecting gently used, outgrown or no longer needed practice and team swimsuits, goggles, and swim caps. If you have any you would like to donate, please bring them to the registration meeting or to the first week of practice. The board will work to redistribute these. Please note that we are limited to what we collect, so while we will try our best to fulfill wishes, you may not receive everything on your list.

Please indicate below, which you are in need of:
